

The **West Coast Gazelle Track Club** is a non-profit, youth running club based in Rancho Cucamonga and open to runners of all abilities, from top-level through beginner, born between 1989 and 2000. We believe in developing the total person of our athletes. This is accomplished through academics, accountability, and athletics. Our athletes have claimed among their honors three national records, 27 national champions, and one US Olympian.

The **WC Gazelles** participate in track and field competitions sanctioned through USA Track & Field (USATF). This year our team will compete in 24 track & field meets throughout Southern California. In preparation for these competitions, we provide advanced and well-structured training regimes for experienced runners and teach proper basics & fundamentals for beginning runners.

West Coast Gazelle Track Club

Our History

- In July 2009, twenty-two athletes qualified & competed at the USTAF Junior Olympics in Greensboro, North Carolina.
- In July 2008, twenty-two athletes qualified & competed at the USATF Junior Olympics in Omaha, Nebraska.
- In July 2007, fifteen athletes qualified & competed at the USATF Junior Olympics in Pomona, California.
- In July 2006, nine athletes qualified & competed at the USATF Junior Olympics in Baltimore, Maryland.
- In July 2005, twelve athletes qualified & competed at the USAFT Junior Olympics in Indianapolis, Indiana.

Our Coaching

The **WC Gazelles** coaching staff are lifelong running enthusiasts. With attention, knowledge, and skill specifically in youth training, our coaches strive to prepare our athletes for high school, college, and beyond. Our staff, having experienced successes in running as athletes and as coaches, transfers their enthusiasm and discipline to our youth for success on & off the field.

Our founder and former director, Carlton Austin, set the pace as a USATF Level I Certified Coach developing our running programs and guiding many students to Division I track & field scholarship opportunities.

Our Goal

- In 2010, we are seeking to increase our athletes' competitive exposure by traveling to nearby states.
- In addition, we are seeking to increase the number of athletes we sponsor to travel & compete at this year's USATF Junior Olympics in Sacramento, California

Thank you for your donation to the **West Coast Gazelle Track Club**

Funds will support travel expenses to out-of area track & field events including the USATF Junior Olympics.
